## *Wedding Breakfast*

At Brinkburn we are mad about food and beer. The chefs are constantly coming up with ways to sneak our ales, stouts and porters into new dishes, many of which are thought up with a beer pairing in mind.

Everything is made from scratch, and we source ingredients from local farms and suppliers wherever possible.

Our kitchen can cater for all needs - from formal dining to buffet style and our chef will work closely with you, to produce a menu personal to your needs. A 3 course wedding breakfast is priced around £45pp.
